About this Performance

An evil enchantment and a mysterious love story give wings to a ballet that has captured the public imagination since 1895. Together with the live PBT Orchestra, PBT returns to Swan Lake for two weekends around Valentine's Day. Swan Lake exemplifies classical technique – from the ballet en blanc swan scenes to the Black Swan's famous 32 fouettes. But it's the undulating port de bras of the swans – a movement quality unique to Swan Lake – that lends its own mystique to the classical vocabulary.
